Al,

1. As you will see in the attached package, we have for quite some time been involved in an effort started by Bill Casey to select a sculptor for a statue of General William J. Donovan. [redacted]

2. Next, Bill Casey engaged the help of Leo Cherne to select a nationally renowned sculptor for the Donovan commission. The story of that process is documented in the attached package. The bottom line is that Acting Director Gates would like to go forward with Mr. Casey's plans. The Agency Fine Arts Commission has selected Mr. Larry Ludtke as their choice for the Donovan statue sculptor.

3. [redacted] and I had arranged that, once a final decision was made, Procurement Division would do the work to initiate the commission contract. Funding will come from the New Headquarters Building Construction Contingency Fund, per an agreement between Bill Donnelly and John Ray.

4. I hope that the attached package is sufficient for your staff to work with Mr. Ludtke to agree on a contract. Thank you for your help.
